Plan My Move Booklet for NAS Fallon

Overview

Location

NAS Fallon is part of the Navy Region Southwest located in Churchill County, Nevada. The cost-of-living here is average, with the exception of housing which is above average. Although relatively isolated, NAS Fallon is only a short drive from some of the finest outdoor recreation areas in the country. If you like to fish, hunt, boat, hike, camp, ride off-road vehicles or ski, the area surrounding Fallon is ideal. Ghost towns, historical sites and old mines tell of Nevada's old west history. Yet, there is big city excitement nearby. Carson City, Nevada's state capitol, and Reno with its 24-hour entertainment are only an hour away. The base operator's phone number is 775-426-5161 or DSN 312-890-5161.

History

The end of WWII eliminated the need for an airstrip and Fallon was placed in caretaker status until the Korean War. New construction followed and in 1958, the landing strip was named after LCDR Bruce Van Voorhis, a Fallon native who lost his life and won the Medal of Honor for his valor in a bombing mission against the Japanese in the Solomon Islands in 1944. The early 1960's saw millions of dollars in development funds invested to expand the station and its bombing ranges to prepare aircrews for duty in Vietnam. In 1972, Fallon was designated a Naval Air Station and now serves as the primary aircraft familiarization and weapons training site for Navy Carrier Air Groups and Marine Corps Air Groups prior to deployment. The Naval Strike and Air Warfare Center (NSAWC) provides advanced tactical air-to-ground and air-to-air combat instruction. For more information, please visit our [homepage](#).

Mission

Our mission is to operate and maintain an airfield, and associated bombing and electronic warfare ranges. Also, to provide weapons training for tactical aviation units of the Navy, Marine Corps and other such aviation units as may be directed by the Chief of Naval Operations. Fallon also operates and maintains an intermediate maintenance activity to provide logistic and maintenance support to tenant and transient aviation units.

Population Served

NAS Fallon's approximately 5,000 military/civilian/contractor personnel and family members represent almost 20% of Churchill County's population. Other nearby DOD activities include Hawthorne Army Depot, about 75 miles south of Fallon, and various National Guard and Reserve units in the Reno/Carson City area.

Base Transportation

Currently, there is no base transportation on this installation.

Sponsorship

Please go to the [Sponsorship web site](#) or call the NAS Fallon Command Services Office at 775-426-2525/2713 if you have not received contact information from your sponsor. If you are flying into the Reno-Tahoe International Airport, you need to contact your sponsor at least two to three days prior to arrival and make arrangements to be picked up.

The airport is about an hour and half from Naval Air Station Fallon. If you have not made prior arrangements, you can call 775-426-2715 and make arrangements with the Duty Driver, but plan on waiting an average of three to four hours for the Duty Driver to arrive. If you choose this option, plan to spend the night in Reno. The taxi fare to Naval Air Station Fallon from the Reno-Tahoe airport, which is only reimbursable in certain circumstances, will exceed \$100.00. Arriving personnel should check-in at the NAS Fallon Quarterdeck in Bldg. 350 inside the main gate. Mail enroute should be forwarded to Mail Room, Bldg. 350, NAS Fallon, NV 89496-500.

Temporary Quarters

Visit the NAS Fallon web site or contact the Navy Lodge located outside the main gate at 775-426-2818. Pick up keys after hours at the Main Gate or during regular hours at the Navy Exchange.

Relocation Assistance

Relocation Assistance is located in the Fleet and Family Support Center (FFSC) in Bldg. 309, and may be reached at 775-426-3333. A variety of relocation services are available such as pre-move planning and newcomer's programs, Plan My Move database, Welcome Aboard Packets, CD's and video's of other bases are available for checkout. Soon after arrival you will be scheduled for NAS Fallon Base Indoctrination. Spouses are welcome to attend. There is a Loan Locker located in the Navy/Marine Corps Relief Office in building 309. They provide many hospitality items such as dishes, silverware, pots, pans, and bedding. These are available to military families while waiting for your household goods to arrive.

Critical Installation Information

Isolated duty screening is mandatory for PCS transfer to NAS Fallon. It is your responsibility to ensure that you and your family have passed isolated duty screening. If you are married or a single parent and are bringing your family, plan on having \$3,500.00 to \$5,000.00 in cash and/or travelers checks for start up. This money can be accumulated from advance dislocation allowance, per diem and travel. See your local Customer Service Detachment Office for specific information on all the advance pays and allowances you are authorized. The estimated start up money includes rental and security deposits, utility deposits and other initial costs.

Sponsorship

Settling into your new location and your new unit takes time. [Plan My Move](#) is designed to assist you with information about your new location. Complimenting Plan My Move each of the military Services has a Sponsorship Program which is very helpful in providing new unit information. Sponsors can make your transition smoother. The purpose of the Sponsorship program is to:

- Provide a sense of belonging
- Ease the transition for inbound service members or civilians and their family members
- Increase productivity
- Reduce culture shock
- Help newcomers make informed decisions
- Cultivate new friendships
- Improve morale

A sponsor is someone from your new unit who is assigned to assist you settling into your new location. You can request a sponsor through your unit, or with help from the Relocation Assistance Program or the Family Center at your new installation.

Your Service will appoint your sponsor in writing. He/she will be the same or close to your rank and the same marital status, if at all possible. This person will be knowledgeable about the local community and the installation; available to assist you and your family for at least two weeks post arrival, and be someone who is positive and outgoing.

A sponsor's duties include:

- Contacting you and your family by letter of introduction or e-mail upon learning of your assignment to the installation.
- Following up with a personal phone call after contact has been made.
- Sending information about the installation/area which you may require, or putting you in touch with the resources on the web and at the installation that provide current, complete and up-to-date information such as those provide by the Relocation Program.
- Answering any questions which you or your family may have, or, again, providing the proper resources to answer those questions.
- Confirm transportation and lodging arrangements.
- Assisting with obtaining a Post Office Box for your mail.
- Meeting you and your family upon arrival.
- Accompanying you to your check in point for the unit.
- Introducing you to the Family Center and lending closet
- Providing essential service locations such as commissary, exchange, gas station, bank.
- Being available when you arrive at your installation to meet you, show you around, and help you through in-processing.

If you have not been assigned a sponsor, or have not been contacted as of yet, request one by contacting your gaining command or unit. If after contacting your new command you find difficulties in obtaining a sponsor, contact your Relocation Assistance Personnel for additional help with your move.

Service specific processes for requesting a Sponsor include:

- **Army and Defense Logistics Agency:** AR 600-8-8 outlines procedures for DA Form 5434, Sponsorship Program Counseling and Information Sheet. Sponsorship is mandatory for first term Soldiers. All Soldiers, private through colonel (excluding those completing advanced individual training (AIT) and those PCSing to long term schools) and civilian employees through grade 15 may participate in the advance arrival sponsorship program. Reactionary Sponsorship is available for individuals arriving at an installation without a sponsor. Contact the gaining unit to request a sponsor.

- **Air Force:** Gaining Unit Commander Support Staff/Military Personnel Element will assign a sponsor upon receipt of assignment notice. Assigned sponsor will then make contact with the inbound member.
- **Navy:** OPNAV INSTRUCTION 1740.3B prescribes procedures regarding Command Sponsor and Indoctrination Programs. This Program is designed to facilitate the adaptation of Sailors and their families into new working and living environments, to minimize the anxiety associated with a Permanent Change of Station (PCS) move, and afford Sailors and their families the greatest opportunity for a successful and productive tour of duty.

Command sponsor and indoctrination responsibilities begin upon receipt of PCS orders and continue until the Sailor has become an integral part of the new command and is fully cognizant of all policies, programs, services, and responsibilities available through the command. Commanding Officers shall establish a Command Indoctrination Program to include the delivery of the Navy Pride and Professionalism training per this instruction. COs should ensure all incoming personnel receive command indoctrination training within 30 days of arrival or within 3 drill weekends.

Enclosures (1) and (2) of OPNAVINST 1740.3B outline responsibilities and provide guidance for these programs. Assistance to local commands regarding the Command Sponsor Program is through the Fleet and Family Support Center (FFSC) Relocation Assistance Program staff.

- **Marine Corps:** Gaining Unit Commander will assign a sponsor on request. Overseas commands should assign a sponsor automatically, however if one is not assigned, send a request to the gaining command. A sample request form is available on our website that can be filled out and sent to the gaining command. See the following [website](#).

Sponsors' responsibilities and abilities to be available will vary from installation to installation, depending upon the priority which the installation and unit commanders give to the program; however, the Services are making the Sponsorship program a priority as research has shown the many benefits of good sponsorship to service, family members and youth.

Youth Sponsorship

The Youth Sponsorship Program depends on the availability of youth who volunteer to become sponsors. The Youth Services topic should explain the Youth Sponsorship program at your new installation, but if it does not answer all of your questions, contact your Relocation Manager to inquire about the program and acquiring a youth sponsor.

Directions to Installation

Directions to NAS Fallon

Naval Air Station Fallon is located in the high desert of northern Nevada and is approximately 6 miles south of the City of Fallon, Nevada - 65 miles south east of Reno/Sparks, Nevada - 64 miles east of Carson City, NV - 383 miles northwest of Las Vegas, NV.

Flying into the Reno-Tahoe International Airport

If you are flying into the Reno-Tahoe International Airport, you **need** to contact your Sponsor **at least** two to three days prior to arrival, and make arrangements to be picked up. The airport is about an hour and a half, one way, from Naval Air Station Fallon. If you have not made prior arrangements, you can call the JOOD. There will no longer be a base Duty Driver. Departments and Tenant Commands will be required to provide for their personnel (TAD, PCS, etc.) as needed.

The taxi fare to Naval Air Station Fallon from the Reno-Tahoe airport will exceed \$100.00, which is only reimbursable in certain circumstances.

Driving

Driving to Naval Air Station Fallon from Reno/ Sparks

Take I-80 East to the Fernley/Fallon exit (#48) veer right and at the second traffic light make a left onto Alternate US-50. Alternate US-50 will take you directly into Fallon. In Fallon, US-50 turns into Williams Avenue. Continue down Williams to Taylor Street (US-95 south) Turn right onto Taylor Street. Approximately 5 miles out of town turn left on Union Lane. Proceed east to Pasture Road. Turn left onto Pasture Road; the main gate will be approximately 1/4 mile on your right.

Driving to Naval Air Station Fallon from Las Vegas

Take US-95 North and turn right onto Union Lane. (Sign points to **NAS Fallon**). Continue down Union Lane to Pasture Road and turn left. The main gate will be approximately 1/4 mile on your right.

Check-in Procedures

Inprocessing Procedures

Sailors reporting to NAS Fallon must check in at the NAS Fallon Quarterdeck, building #350, upon arrival. The Quarterdeck will be staffed from 7:00 a.m. - 11:00 p.m. (day watch/eve watch). All calls to Quarterdeck, 775-426-2715 after 2300 will be forwarded to the CDO cell phone. Personnel checking in or out of the command on PCS or TAD orders after 2300, should be directed to Central Billeting, Bldg. 354. Front desk personnel will endorse your orders and log the arrival/departure.

The next step is to stop by the Customer Service Desk, located in Building 309, across from the First United Services Credit Union for processing in. You can expect the check-in process to take several days. Make sure you have contacted your sponsor prior to your arrival.

In addition to your service record, please ensure you bring the following documents and information when checking in at CSD Fallon:

- Original Orders with detaching and reporting endorsements.
- Receipts for lodging, travel (air, bus, train, etc.).
- Completed Travel Voucher - attached. (Include dates of departure, modes of transportation, reason for stop, etc.)
- Current address/phone number. Bldg number and room number if in barracks.
- Spouse next-of-kin name, address and zip code (for Page 2 processing).
- Member's primary and secondary next of kin (Name and phone number).

Relocation Assistance

Programs and Services

While moving is always stressful, your stress can be drastically reduced if you take full advantage of the information, education, and personal assistance provided to you by the Relocation Program. This is the place to find answers and get referral to other installation resources as well as assistance with in-transit emergencies. The most important thing you can do to ensure a smooth move is to start planning early using the many Relocation Assistance program services and tools available.

Individual PCS Planning -- Most relocation programs offer one-on-one consultation for anyone needing assistance. In particular those making their first military move, first overseas move, or those with challenging and complex situations such as special needs family members or financial problems should call the Relocation Program for an appointment.

Military Installations and Plan My Move -- For managing and planning your move, use these two DoD sponsored web-based relocation tools with information on over 250 installations worldwide. You can estimate expenses, find the forms necessary for housing and household goods, keep a calendar of events and take other necessary actions to ensure a successful move.

Loan Closet -- Basic household goods items are available to borrow while waiting for your personal property pre-departure or upon arrival. The typical items in stock include: pots and pans, dishes, silverware, irons, ironing boards, portacribs, high chairs, and infant/toddler car seats. Generally, towels and bed linens are not available, so these should be packed in your hold baggage.

Workshops and Briefings -- The classes offered vary from installation to installation but you can generally find classes on buying, selling and renting smart, budgeting and finance, moving with children, general moving preparation and many other moving related topics.

Pre-departure Briefings -- Sometimes called Smooth Move or PCS Briefings, you and your spouse will want to attend for sure. These briefings provide essential information that can prevent you from making uninformed and costly decisions before your move.

Settling-in Services -- These may include welcome wagon services, local area tours with childcare often provided, or basic household items to use until your goods arrive. Overseas arrival services may include introductory language classes and cultural awareness training.

Deployment Support -- The Family Center assists unit family readiness groups and Ombudsman programs during the entire deployment cycle. Support includes services for special needs, classes on deployment preparation, managing finances, helping children adjust, family separation, return and reunion, and information on resources available locally and on-line.

Foreign Born Spouse Support -- Whether your question concerns immigration and naturalization, learning the English language or how to take local transportation, the Relocation Program provides assistance, classes and referrals.

Emergency Assistance -- From time-to-time emergencies occur while moving, the Relocation Program office has the resources to provide emergency financial assistance and referrals.

Transition Assistance -- This is a mandatory program available to assist personnel and family members when they separate from the military. The Relocation Assistance office will establish your individual transition plan and refer you to all the installation and community resources necessary to complete a successful transition.

Installation Specific Information

The Department of Defense Relocation Assistance Program (RAP) is mandated by Congress to help all incoming and outgoing active-duty and retiring military personnel. RAP is also available to all DOD civilian personnel, retirees and their families. We are designed to provide assistance, information and referrals to help your move go as smooth as possible.

Fleet and Family Support Center (FFSC) Welcome Aboard Packets provide information about NAS Fallon and the surrounding area. These packets are available upon request by e-mail, mail, fax or via telephone call.

Our Relocation Resource Center offers information packets on all military installations, videos of other installations, trip itineraries and a library of welcome aboard packets from other installations.

Emergency Assistance

Planning for Emergencies

For on-base emergency assistance, call 911 from a land - line telephone. If using a cellular telephone, phone call will then be transferred to NAS Fallon emergency services.

Important Documents/Hand Carry

No matter how well you plan, emergencies happen!!! Carry your important papers (orders, ID cards, passports, traveler's checks, etc.) with you, not packed in your luggage or household goods. Write down telephone number for your relatives, your sponsor, CSD Fallon, and Command here at NAS Fallon.

American Red Cross

The American Red Cross (ARC) is always available to assist in emergency situations 24 hours a day, 365 days a year, or contact the nearest ARC chapter listed in the local phone directory.

Navy-Marine Corps Relief Society(NMCRS)/Financial Assistance

Navy-Marine Corps Relief Society (NMCRS) offers emergency financial assistance to all military personnel, active and retired and their family members in the following categories: food, rent, emergency travel, utilities, essential car repair, funeral expenses, emergency medical/dental assistance, and essential needs in the event pay is not received. Eligibility includes active duty military, reserves on continuous active duty for more than 30 days, military-dependent family members, and surviving spouses and orphans of Sailors who died while on active duty or after they retired.

In addition to emergency financial assistance, NMCRS provides food vouchers as a short-term solution for families experiencing financial difficulty/inability to provide food for themselves or their family.

Note: Family members must have a Power of Attorney to receive NMCRS financial assistance.

Motor Vehicles

Registration & Licensing Requirements

Nevada State law requires you to have sufficient liability insurance and a valid driver's license in order to operate a vehicle. The term "vehicle" generally includes automobiles, motorcycles, vans, trailers and boats regularly parked or garaged overnight. Further, your vehicle must be properly registered. Even though you are in the Military, you may be required to register your vehicle in-state and obtain an in-state license within a few months of moving. Access complete information on insurance, driver's licensing, and where and how to register your vehicle by visiting the [State Department of Motor Vehicles](#) website.

State Laws

You and your passengers must always wear seatbelts while driving, you will be ticketed and issued heavy fines if seatbelts are not secured. State law requires that all children under 5 years of age and 60 pounds be properly restrained in child seats. Some states also require younger, smaller children to sit in the back seat.

Motorcycles and their operators are subject to special laws. If you own and operate a motorcycle, you must comply with those laws. Visit the State Department of Motor Vehicles website for more information.

Many States and local jurisdictions have strict laws about the use of cell phones and other digital devices while driving. Research these laws on the State Department of Motor Vehicles website. Tickets will be issued and fines assessed for violating these laws. Play it safe and always use a "hands free" device if you must use a cell phone or other PDA while driving. Hands-free devices must be used while operating a motor vehicle on ALL military installations worldwide.

Base Regulations

NAS Fallon is on land leased from the state, which allows full access to all law enforcement agencies.

Speed Limits -- The speed limit on board Naval Air Station Fallon is 25 MPH, unless otherwise posted, and is strictly enforced by radar!

Seat Belts -- Seat belts are mandatory on base and in the State of Nevada. The Nevada safety belt law is a fineable offense. This means the vehicle can be stopped by a law enforcement officer for occupants who are not wearing safety belts. A citation can be issued to the driver or adult passengers. If the passenger is a minor over five (5) years of age, but under eighteen (18) years of age, a citation is written to the driver. The citation is not a moving violation, and may not be considered in any civil action. The fine for not wearing a safety belt is \$65. Also, child seats/restraints are mandatory for children under the age of five (5).

Vehicle Checks -- All vehicles entering and leaving Naval Air Station Fallon are subject to search. Drivers must also have a valid driver's license, current registration and proof of insurance.

Bicycle Rules -- Riding helmets are mandatory for all ages of bicycle riders on base and in the housing areas. Currently helmets are not mandatory for skaters and bladers' however they are strongly recommended. In Fallon, helmets are not required.

Restricted Areas -- Flight line, bombing ranges, others as posted.

Photography -- A photo pass must be acquired from the Public Affairs Office prior to taking any pictures on base.

Registering Vehicles on Base

In order to register your Privately Owned vehicle (POV) on base, drivers must have:

- valid driver's license
- current registration
- proof of insurance

Loan Closet

Items Available

The mission of the Navy and Marine Relief Society Loan Closet (Hospitality Room) is to provide basic housekeeping items for temporary loan to incoming and outgoing families while their household goods are in transit.

When you arrive at NAS Fallon, the Navy-Marine Corps Relief Society office runs the loan closet which can supply you or can tell you where to get temporary, basic household items to supplement until your household goods shipment arrives. Provisions in the local loan closet normally include the following items: kitchen items, high chairs, child car seats, play pens, cribs, ironing boards, irons and transformers, Futons and etc. The NMCRS is located in the west end of the Fleet & Family Support Center, Bldg. 309

How to Borrow

Equipment will be checked out for an initial period of 30 days. If warranted, this due date may be extended in 30-day increments up to a maximum of 90 days. If the equipment is not returned by the due date, the Fallon Navy-Marine Corps Relief Society will call to remind and then send a confirmation letter to the home address with a copy furnished to the command. If the equipment is still not returned, procedures to garnish wages will begin.

Housing - Overview

Government Housing

NAS Fallon offers 230 family housing units that accommodate approximately 53% of eligible families. All quarters are equipped with a range, refrigerator, dishwasher, central heating and air conditioning. Military housing is limited, so it is a good idea to check out availability as early as possible.

All of NAS Fallon housing is now managed by Public Private Venture Lincoln/Clark (PPV). What this means is that the government side of housing accepts all Applications, determines Eligibility and provides referral service for Community and PPV housing. PPV then makes assignments and provides maintenance on housing.

Application and Eligibility -- Please complete an application for on-base housing (DD Form 1746) as soon as you get your orders. Include with this form a copy of your orders along with your current page two. When you detach, fax your detaching endorsement from your command. Upon receipt of your application, a determination will be made for the size quarters for which you qualify. A

Other

If you are coming to Fallon with a family, it is highly recommended that you use your sponsor's help to locate a place to live. If you do not have a sponsor, contact your command to have one assigned to you.

Keep in mind that Nevada has long, cold winters and short, (usually) hot summers. Air-conditioning is common. Most homes have small rooms, so large pieces of furniture such as king-sized beds, big headboard units, and large living room sets may not fit well. Pets can pose a problem also. Rentals, which allow pets, especially dogs, are limited.

Non-government Housing

Civilian housing is at a premium in the local area. Apartments are available, but 4 bedroom homes are limited. Prior planning and contact with the housing office will help decrease frustration and long searches for housing. Apartment guides are limited for the Fallon area and apartment locating web sites provide limited information on the area. Please contact the Housing Office PCS web site for the most up-to-date housing information in the Fallon area. Suitable housing can be found, but it may take some extra time and planning.

Reporting Requirements

You are required to check in with the Fallon Housing Office as soon as you arrive. This applies even if you do not plan to live in government housing. If possible, we strongly urge you to not bring a family until you have arranged for suitable housing.

Temporary Lodging

There is temporary housing available, either the Navy Lodge or the BQ can be utilized, call for reservations. Apartments and housing in the community is limited and expensive.

Housing - Temporary

Temporary Lodging Facility

This installation has not provided any narrative for this topic.

Housing - Government

Military Housing

The housing office at NAS Fallon is open 8:00 a.m. - 4:00 p.m. Monday - Friday. Sailors assigned to NAS Fallon must in-process through housing.

NAS Fallon offers 230 family housing units that accommodate approximately 53% of eligible families. All quarters are equipped with a range, refrigerator, dishwasher, central heating and air conditioning.

Military housing is limited, so it is a good idea to check out availability as early as possible.

Application -- Housing applications must be made on DD Form 1746, Application for Assignment to Housing, and submitted to the Family Housing Office with a complete copy of orders and a page two. Applications can be made by mail, FAX or in person. Applications may be made any time following receipt of permanent change of station (PCS) orders, but placement on the waiting list (effective date of application) will be the member's detachment date from his previous duty station or date reporting to local Sailors must apply for quarters within 30 days of checking in to NAS Fallon in order to qualify for any backdate that is due to you.

Availability -- Wait time for military housing varies and can be as long as 6 months, depending on the waiting list you are on. You may need to reside off base until quarters become available to you. Since lists change frequently, you are advised to call the NAS Fallon Housing Office for accurate updated lists.

Housing can be modified in order to accommodate a family member who is in need of handicap accessible housing.

Following is a list of available housing units by rank and estimated wait times:

Enlisted Housing Categories

Bedrooms	Units	Waiting List
4	34	0 - 6 months E-1 thru E-9
3	97	0 - 6 months E-1 thru E-9
2	137	0 - 6 months E-1 thru E-9

Officer Housing Category

Bedrooms	Units	Waiting List
4	3	0 - 6 Months O6 & up
4	7	0 - 6 Months O4 - O5
4	4	0 - 6 Months O1- O3
3	6	0 - 6 Months O4 - O5
3	9	0 - 6 Months O1- O3
2	5	0 - 6 Months O1- O3

Household Goods - Overview

Arranging Household Goods Shipments

As soon as you are alerted to your upcoming PCS move, you can start getting your house and family ready. Clean up and get rid of junk. Hold a yard sale or take serviceable items you no longer need to a thrift shop or donate to charity. Get important family records together in one place. You can even estimate the weight of your household goods before you visit your transportation office to set up the move. If you are going overseas, you should begin to plan what items you will take in your hold baggage, in your household goods shipment and what might need to go into storage. Remember for overseas assignments electricity is different and houses are generally much smaller and cannot handle large furniture.

Set up an appointment with your transportation office as soon as you have a copy of your PCS orders. The earlier you call or visit your transportation office, the greater your chances of moving on the date you desire. The counselors will explain all your PCS move entitlements in detail. Your first decision is whether to have the government move you or whether to move yourself. There are pros and cons to each type of move. Your counselor will answer all of your questions. If you choose a government move, they will book your shipment and let you know the exact dates the movers will come. If you choose to move yourself, the counselor can assist with recommendations and tips on how to do a personal move.

Automobile

The government may ship one Privately Owned Vehicle (POV) at their expense to your new overseas location. This is handled through your transportation office. Remember to discuss your POV needs at your initial counseling session. The shipping contractor has established a [website](#) where you can track the location of your POV through the shipping process.

Shipping Pets

Planning for shipment of your pet includes researching airline requirements and quarantine and restriction laws in your new location. You will need to ask the airlines the requirements for size, weight, number of animals, kennel construction, documentation and season of the year limitations. Occasionally, small pets can be shipped on military flights but availability and regulations are always changing as well as fees. Checking the [SDDC website](#) will provide details on shipping pets.

Many international locations have strict importation laws including extended quarantines and restrictions on breeds or types of animals that can be brought into the country. Carefully research these rules as they could impact your moving schedule. Not only do overseas locations have strict rules but many locations have restrictions on dangerous dogs as well.

Delivery of Household Goods Shipments

It is your responsibility to contact the transportation office as soon as you arrive at your new duty station. Let them know how you can be contacted, phone, mobile phone and e-mail. If you already have new quarters, they will help arrange delivery of your personal property shipments. Otherwise they will arrange for temporary storage until you have permanent housing.

Customer Satisfaction Survey

Once your personal property is delivered, you'll be asked to [rate the customer service](#) you received from the movers. Make sure you take the time to do this. Your feedback will make the process better for everyone.

Claims

If you have any loss or damage to your personal property you may need to file a claim. Use the front of [DD Form 1840/1840R](#) to notify the mover of any loss or damage you find at the time of delivery. If further loss or damage is discovered after the transportation provider departs, use the reverse side of the form, DD Form 1840R. You must **file DD Form 1840/1840R within 70 days of delivery**. Completing and submitting the DD Form 1840/1840R does not constitute filing a claim. A claim is separate and distinct from these forms. Your local personal property office and claims office will give you complete instructions on where and how to file DD Form 1840/1840R and your claim.

Household Goods - Shipping Pets

Boarding and Veterinary Services

NAS Fallon does not have any on base boarding and does not provide any on base veterinary services.

Licensing

All pets residing on base, as well as in the local community must possess a current license. The Commanding Officer's permission is necessary to keep any pet other than inoculated dogs and cats.

Quarantines

There is no quarantine for pets arriving from overseas locations as long as the owner provides the following: pet's owner is in possession of a valid veterinarian's certificate that states the pet has no diseases and the pet has had current rabies inoculations.

Pet Travel

Once you have decided that an animal is going to be your traveling companion, plan for your pet's trip in the same way you plan your own - well in advance.

Nothing can waylay a trip with an animal faster than a health problem, and your pet's well being should be of primary importance to you. Your pet will be subjected to conditions guaranteed to cause stress to your animal. A clean bill of health is an important first step in assuring your pet's ability to adjust safely to unfamiliar surroundings. In addition, most states and countries require recent health certificates and disease inoculation documentation before you will be allowed to cross borders, making a trip to the veterinarian mandatory. Even if you are traveling within your own state boundaries, it is a good idea to have your pet examined and inoculated. Your pet will be "out of his own back yard" and subject to contact with unknown animals. His chances of contracting disease or infection greatly increase. Have your pet examined by a licensed veterinarian, preferably one that has cared for the animal on a regular basis. Ask the doctor to prescribe a motion sickness pill or sedative as a preventive measure. Don't tranquilize your animal automatically. Sedated animals are more likely to develop problems. (Note: Motion sickness pills are preferable to tranquilizers.) NEVER give your pet tranquilizers without your vet's approval and NEVER give an animal any medication that has been prescribed for human use. Avoid traveling with an animal during extreme weather.

A disaster in the making is a pet in transit without identification. Dogs break free from leashes. Cat's dash out of cages cracked open for just a second. The opportunities for pets to be separated from their owners are numerous. Avoid the potential loss of a beloved pet by purchasing a comfortable collar (elastic for cats) for your pet bearing complete identification tags. The information should include your pet's name, your name, address and phone number. A license tag is also necessary and can be obtained from your local humane organization. (If your pet is a cat that has never worn a collar, allow time for the cat to become accustomed to wearing something around his neck.) As an additional safeguard, you may want to consider tattooing as a permanent form of identification. Your pet can have a number (your social security number, for example) tattooed on the inside of his ear or flank. Then, if your pet breaks free of both carrier and collar, he can still be positively identified.

The carrier in which your pet will be spending most of his trip is of the utmost importance. In fact, the Animal and Plant Health Inspection Service (APHIS) has very specific regulations for cages/crates used to transport animals interstate or internationally. **SIZE:** your pet must have room to turn freely while in a standing position and be able to use normal movements in order to stand erect or lie down in a natural position. Crates should be constructed of metal, wood or heavy plastic of sufficient strength to withstand the rigorous handling it will receive while your animal is in transit. The carrier must have a solid bottom to prevent leakage. Line the bottom with shredded paper or other absorbent material.

Include a familiar blanket and a favorite toy in the carrier. It will make your pet more comfortable and less frightened. NOTE: Airlines are a good place to purchase carriers that meet all requirements, and they are generally cheaper than if purchased at a pet store.

If you and your pet plan to stay in a hotel, motel or inn, call in advance to check if pets are allowed and to make reservations. It is not a good idea to try and "sneak" a pet in or announce upon your arrival that the reason you need a double room is that your Great Dane is staying with you. You and your pet could be left without a place to stay. If you

plan to board your pet at your destination point, reservations are also necessary, especially during the heavy travel periods of holidays and summers.

Air Travel

Air travel has become the most common way to transport animals. Unfortunately, it is also the most stressful and most fraught with potential hazards.

Animals are permitted in both the cabin and cargo sections of airplanes. Pet owners often prefer to have their companion pet in the cabin section with them, and this is possible, but only under the following circumstances:

*Reservations must be made as early as possible with the airline. Regulations differ from airline to airline, but generally only one animal per flight is allowed in the cabin and permission is granted on a first come, first serve basis.

*Animals traveling in the cabin are considered "carry-on luggage" by airlines, and as such must meet the same criteria as any baggage in that category. In other words, the pet carrier must fit under the seat. Obviously this restricts the carry-on option to very small animals. (A fee is usually charged).

*Be sensible where your pet's safety is concerned. It is better to have your pet in the cargo section of a plane in a carrier of the proper size than to try and "jam" a dog or cat into a too small carrier just so the animal can be in the cabin with you.

In most cases, animals must fly in the cargo section of the plane where conditions can be hazardous for animals. The danger of air travel is not, however, in flying, but rather during "down time" when your pet is loaded, unloaded or waiting in an unsheltered area and exposed to the elements. While on the plane hazards are usually caused by the delays, which result in time spent on the runway before take-off or after touchdown, when the plane's compartments are not air pressurized. During that time your pet is confined in the cargo hold and deprived of fresh air, and temperatures can fluctuate from very hot to very cold in short periods of time. Pets who are tranquilized are especially susceptible to breathing problems, as are breeds such as bulldogs, pugs and Pekingese who have short-faced heads.

Travel by Car

In many ways, traveling with your pet by automobile is the most humane way to go. Although time spent in transit is greatly increased for long distances, the benefits of having your pet with you at all times cannot be overestimated. And, if you heed the following recommendations, both of you will arrive at your destination safely.

Unless your pet is already accustomed to being in an automobile, take the time to acclimate your pet to the motion and sounds of your car by taking short drives prior to leaving on a longer trip. (This precaution may eliminate the need to administer a motion sickness pill or tranquilizer). Bring a pet carrier, and if the animal has never, or rarely, been in it, allow time for him to become familiar with it. This is especially important if your pet is undisciplined. An undisciplined animal is a menace in a car.

Take along your pet's food and water bowls, blanket or bedding and a favorite toy to give him a touch of home.

Your pet should never be permitted to ride in the front seat, jump around the car or hang out a window. This is dangerous for both the animal and driver.

It is best not to feed an animal for several hours before leaving on a trip. Bring food and fresh water with you and stop regularly once the animal has had a chance to settle down.

If your traveling companion is a cat, bring a litter pan and litter with plastic bags for changing purposes. If a dog is traveling, it is imperative to stop frequently so that he can exercise and relieve himself.

NEVER LEAVE YOUR PET ALONE IN A PARKED CAR. In summer, it takes only minutes for the heat to climb to more than 120 degrees, even in the shade. In winter, closed cars become refrigerators on wheels and the cold is as dangerous as summer heat. (In some states it is against the law to leave an animal alone in a car.)

Check your pet frequently so that you can easily tell when he is hungry, thirsty, hot or tired.

Education - General Overview

Educational Options

There are no Department of Defense Schools at Naval Air Station Fallon. There is one part-time preschool. All other schools are out in the community.

There are plenty of schools to choose from here in Churchill County and in the City of Fallon. Churchill County has a total of seven schools. One high school, one junior high, and five elementary schools.

There are many other schools from two Head Start programs, private, independent public high school, and four major Child Care Centers and county/state adult education, Community College, and extending universities.

Education - Training (College/Technical)

Continuing Education

There are no adult education schools on the installation.

College

The Navy College Office at NAS Fallon is part of a network of education professionals providing counseling and advisement services to Navy members worldwide. Whether brushing up with college refresher courses or looking ahead to a doctoral program, the Navy college Office can assist in meeting any educational goal.

Tuition assistance is available only to active duty members, but additional information on financial aid sources is available to all.

The Navy College Office also offers a variety of college credit by examination program options through the Defense Activity for Nontraditional Education Support (DANTES) and can provide proctoring services for those enrolled in elearning programs.

Navy members can stop by for a copy of their SMART with a listing of all their military experiences and training and the American Council on Education recommendations for college credit. In addition, the Navy College Office can provide information on the Navy College Distance Learning Partnership (NCDLP) program. Through the NCDLP, Sailors can earn rating related degrees through one of many partner institutions.

Other colleges offering classes are Embry-Riddle Aeronautical University (ERAU), and Western Nevada Community College (WNCC).

Education - Local Schools

Choosing the right school for their children is a priority for military families. This article describes excellent resources for your use in planning for your child's educational needs. Parents can find current information about public, charter and private schools by using the tools below:

1. How do I choose a good school?

[Choosing a School for Your Child](#) is a U.S. Department of Education publication that will help families identify what is important in selecting a school.

[The School Visit: What to Look For, What to Ask](#) Whether you are choosing a school for the first time, or because you are in transition, this site will provide you with information about what to do and what to ask.

2. What schools are in my area (or in the area where I may move), and how good are they?

Several high quality commercial tools are available to assist in making decisions about which school to choose for your child. Listed below are these website tools along with information on how you access the information and what type of information each site provides.

Both [Great Schools](#) and [School Matters](#) provide a wealth of information for parents:

- School contact information
- Distance from zip code (provide the installation zip code, or the zip code of the area where you will be living)
- Public, private or charter school designation
- Student/teacher ratios
- Free and reduced school lunch program (an estimate of economic disadvantage)
- Great Schools provides a rating of schools and a parent comment section
- Percentage of students meeting or exceeding the state standards in math, reading and language arts
- Teachers - average number of years teaching experience, % of first year teachers on the staff
- Students: Average percentage of students absent from school for more than 15 days
- Ethnic breakdown and percent of students with English as a second language
- School Matters provides college prep scores (PSAT, SAT, ACT test scores)-for high schools only
- Great Schools also provides parents the ability to rate the schools and make comments on the schools.

For both sites, the user must enter the State and zip code to find schools in the area.

[SchoolQuest](#) was developed by the [Military Child Education Coalition](#) to help military families select schools. SchoolQuest also offers an Online Library that provides resources for families in transition. At this time, the SchoolQuest data base covers 99 military installations. The Military Child Education Coalition also provides a [data base of information](#) on each State's educational system.

[The School Report Tool](#) is available from Military OneSource that list names and locations of public, public charter, private, virtual and home schooling choices around major installations. [Charter Schools](#) are nonsectarian public schools of choice that operate with freedom from many of the regulations that apply to traditional public schools. Use this site to find one in your area.

3. How can I help plan for a successful transition in this new school and for my child's school career?

Parents often want to know about the availability of extra curricular activities and sports, or the availability of advanced classes. For these questions, it is best to contact the schools directly. It is important to ask the right questions. The following resources can help with these questions and others.

The [Toolkit for Parents](#) was developed by the Department of Defense, especially for Military Families. This 85 page booklet walks parents through preparing for the move and the first two weeks of school....what to ask, what to take, etc..

The [Military Impacted Association](#) has [checklists](#) available for military kids who are leaving or entering a new school.

The Military Child Education Coalition has a [checklist for transferring students](#) that will be helpful. Additionally, through [SchoolQuest](#), MCEC provides parents with the ability to develop a profile for each of their children, which then will provide them with a report on issues related to transferring to a new school district.

4. Question? What happens if I need help during the school year?

During the school year, there are always questions that parents have, such as "What is the best way to help with homework?" or "What if my child needs to see a counselor because my spouse is deployed?" Military OneSource helps with these questions and has 24/7 access. You can call them at 1-800-342-9647, connect to them at the website [Military OneSource](#), or [e-mail a consultant](#).

Education - Local Schools/Overseas

Overseas Schools -- What You Should Know

Moving your family from one installation to another in the U.S. can be challenging enough; but moving your family overseas presents an even more complex situation. One of the most important challenges can be summed up by this question, "Where are my children going to go to school?"

This article will provide resources to help guide military families through the many questions and decisions regarding local schools abroad.

Where do I start?

Start with the information on your new installation. Visit [Plan My Move](#) and review the installation's Education - Overview article. All of the overseas installations have dedicated a portion of the Education Overview to discussing the education options available in the local community as well as the DoD schools located on the installation, if available. Most installations overseas that allow accompanied family travel have one or more DoD schools.

What is the difference between a DoD school and an international or national school?

[DoDEA](#) is the Department of Defense Education Activity. DoDEA operates DoD schools in 12 foreign countries, Guam and Puerto Rico. All DoDEA schools are fully accredited by U.S. accreditation agencies and maintain high academic standards with well rounded educational programs.

In addition to DoDEA, the [U.S. Department of State's Office of Overseas Schools](#) mission is to promote quality educational opportunities for dependents of American citizens overseas at the elementary and secondary level. If a DoD school is not available on your installation there may be a school in the local community that is an American-Sponsored Elementary and Secondary School.

International schools are English-language schools whereas National schools are schools where courses are taught in the native language. The curriculum and grading system of an International school tends to be similar to the traditional American education system. This is a consideration if your family will be returning to the U.S. prior to your child or children graduating high school. Remember, when choosing a school it is best to try to match the school with your child's needs and expectations.

Where can I find a list of International schools in the country where my family is moving?

The Internet can be an excellent resource for finding International Schools overseas. You can find a complete directory of overseas schools on the [International Schools Services' website](#).

In addition, the [World Wide Schools](#) website is an excellent resource. From the homepage you can select the country. Once you have done this, a list of schools will appear and you can then choose which one you are interested in researching. All of the information appearing on this website is provided by the schools directly. Some of the information you may find on a school includes: a background summary about the school, the school's address, phone number, website, and even the email address of the director of the school. This information should be explored so that you can make comparisons with other International schools in the area to determine the best place for your child/children.

How do I decide what school is best for my child?

This process is much the same as it would be in the U.S. You may not have as many choices but it is important to make a list of possible schools and then begin to ask around. This is a daunting task since it is likely that there will be a language barrier. However, talk to the Relocation Personnel in the Family Center and your sponsor at your new installation who may be able to put you in touch other families with children around the same age as your child/children. Always contact the school directly and ask for references.

Once you have narrowed down your options, interview the school or schools directly. This is best done in person, if possible. Ask about: attendance, atmosphere, curriculum; grading system, tuition, accreditations, the staff and administration; as well as other practical details such as, does the school provide meals, what types of extra curricular programs are available, is there transportation, holidays and schedule, sports programs, before and after school care programs, and how is the facility maintained.

Now that I have chosen a school, how do I successfully facilitate the transition for my child?

A successful transition should be a priority during planning the move and once the move has been completed. The more knowledge you provide your child with, the more confident he/she will feel once he/she arrives at the new school. Allow your child to be a part of the decision making process, if he/she is old enough, and take his/her opinions into account.

MilitaryStudent.org provides several valuable tools to facilitate the transition process. Although many of these tools are not geared specifically to an international move the resources provided do apply to any military student transitioning to a new school in the U.S. or overseas.

Employment - Overview

Employment Opportunities

For job hunting purposes, be sure to bring with you all your employment records and other information that you could use in your job search such as transcripts, resumes, certifications, licenses, SF 50s (if current civil service, prior civil service with reinstatement eligibility or currently on leave without pay from civil service) and DD 214s (if applicable).

NAS Fallon is located approximately 6 miles from the community of Fallon, 68 miles east of Reno, NV. There is a varied job market with most employment available in the private sector or non-appropriated fund positions.

Federal Civil Service Positions

NAS Fallon was one of the first air stations to begin using a base operating support (BOS) contractor to provide support services functions. There are 300 civil service positions at NAS Fallon and her tenant commands but turnover is relatively low. Most of the positions are administrative in nature and can be applied for through the Navy Region Southwest.

Non-Federal Civil Service Positions (NAF)

The NAF positions are divided between the Morale, Welfare and Recreation (MWR) Department and the Navy Exchange (NEX). Applications can be submitted to MWR Personnel Office, Bldg 308.

Contractors

The largest contractor on NAS Fallon is the BOS contractor, currently Chugach Support Services, Inc. (CSSI). CSSI is responsible for maintenance, transportation, landscaping, and custodial. CSSI is required to attempt to fill their positions from within their current workforce before recruiting outside applicants. Applicants must apply at Nevada Job Connect for positions with CSSI and most of the contractors stationed on board NAS Fallon.

Private Sector Employment

On any date there are generally 100-150 jobs open in the Fallon commuting area (50 mile radius). These jobs range from unskilled labor, custodial and other service positions through skilled labor and management jobs. However the majority are median wage jobs and not all offer benefits. The town of Fernley is located 30 miles west of Fallon and is heavily industrialized with a continuous need for production and labor employees.

Child Care

Child Development Center (CDC)

The NAS Fallon Child Development Center is located at 1001 Juniper Dr Fallon, NV 89496-5000. The center is accredited by the National Association for the Education of Young Children through 2008. The Educational Technicians are trained in First Aid and CPR and they all meet BUPERS and NAEYC caretaker standards. The CDC can accommodate up to 115 children. Children can enter at 11 months old and remain through pre-kindergarten.

Age groups include: Pre-toddler - 12 to 24 months, Toddler - 24 to 36 months Preschool - 36 to 72 months and Part-time Preschool Program - 30 months to 5 years if not enrolled in Kindergarten.

Hours of Operation -- The center is open from 6:30 a.m. to 5:30 p.m., Monday through Friday.

Programs Offered -- Programs available at the Fallon CDC include:

- Full-time care for all age groups - Monday through Friday, 6:30 a.m. - 5:30 p.m.
- Monday/Wednesday/Friday or Tuesday/Thursday Preschool Programs. Hours are 8:00 a.m. - 11:00 a.m.

Special Needs Care

Special Needs Care provided based on enrollment in the Exceptional Family Member Program or Early Intervention Program and approval through Base Command Review board.

Costs

The Chief of Naval Personnel, with guidance from the office of the Secretary of Defense (OSD), requires childcare fees be re-established and set for each new fiscal year. This requirement is a result of the Military Child Care Act of 1989.

Child Development Center Fees are based on total family income (TFI) and apply to all children who attend on a regular basis. TFI is defined as "all earned income including wages, salaries, tips, long-term disability benefits, voluntary salary deferrals, quarters allowances, and subsistence received by any adults, married or not, residing together as one economic unit and sharing living expenses toward the benefit of the children in residence. Family income includes pay for service in a combat zone or anything else of value, even if not taxable that was received for providing services. Ref.: 1700 Ser N93MP/0215 letter dated 02 Dec 03.

Following are child care fees based on total family income:

Category	Annual total Family Income	Weekly Fee
I	\$0-28,000	\$56
II	\$28,001-\$34,000	\$69
III	\$34,001-\$44,000	\$82
IV	\$44,001-\$55,000	\$95
V	\$55,000-\$70,000	\$108
VI	\$70,000-up	\$121

- There is a \$25, non-refundable registration fee for full time care.
- Fees for Part-Time Care available by calling 775-423-5808.
- Hourly rate of \$3 for drop-in care, when space is available.
- A late pick-up fee of \$5 for every five minutes after closing will be charged for late pick up.
- Fees include all meals and snacks, which meet the USDA requirements.

Registration -- All enrollments require a Request for Care (DD Form 2652) form to be completed by the sponsor.

Child Development Homes (CDH)

As an alternative to the center-based care provided by the CDC, the Child Development Homes (CDH) program offers home-based childcare. CDH providers go through a complete training program like their CDC counterparts and are certified in First Aid and CPR. All CDH homes are inspected to ensure they meet all base and USDA food and health regulations. Call 775-423-0220 for more information.

Youth Services

Youth Services

NAS Fallon Youth Services provides numerous activities for all age groups; including, special events and field trips, Art and Crafts, Nature Watch, Sports and Fitness, Active and Passive games and much more.

Youth Services is located in Building 3001. Please call us at 775-423-1551 for information about any of our youth services programs.

Youth Center

The Youth Center offers year around day camps, winter and summer camps, after school programs, field trips, music and movement, supervised games and athletic activities. A teen youth program is also offered in the center.

The School Age Care (SAC) Program provides before and after school care, summer camp, and off-track camp programs to accommodate children.

The Center schedules weekly bowling, swimming and library trips as well as regular base field trips and tours. We have daily activities include arts and crafts, gym activities and outdoor activities during the camp day as well as during after the school program.

For more information about the Youth Center programs, give us a call at 775-426-3777.

Teen Club

The "Top Fun" Teen Club is located in the Youth Center. Events consist of dances, pool parties and time to just hang out with friends and have fun. Occasionally, we even take trips to Reno, Tahoe and Carson City. Computers are available Monday through Thursday from 4:30 p.m. to 5:30 p.m. for research, homework and writing papers.

For more information on the Teen Club, you can call us at 775-426-3777.

Financial Assistance

Financial Assistance

Your first stop for discussing financial issues should be with your Financial Counselor in the Family Center. They can assist with information, referral, emergency assistance and budgeting.

Each command has a Command Financial Specialist trained to assist you with financial matters. The program provided to them emphasizes personal financial responsibility and accountability by providing basic principles and practices of sound money management, counseling tools and referral services. The specialists are your best tool if you need help with financial matters.

Many of the FFSC's also have financial specialist. If your command, does not have a financial specialist check with the Fleet and Family Support Center. The Navy/Marine Corps Relief Society also does financial counseling.

If you do not have any immediate financial problems but are concerned with having a proper budget, those financial specialist already mentioned can help you get started. The FFSC's have classes on financial management/budgeting.

Whatever you do or need, be sure that you have a savings account in which you routinely save. The easiest way to save is by using an automatic transfer of funds from your check to the savings account. That way, you never see the money and never miss it while you savings account continues to grow. Financial guidance is offered to those experiencing money management difficulties or for those who wish to be in control of their finances. The Fleet and Fleet and Family Support Center as well as the Navy/Marine Corps Relief Society can work with you to prepare a personalized budget and spending plan designed to make your life a little easier.

If you are married or a single parent and are bringing your family, plan on having plenty of cash and/or travelers checks for start up. This money can be accumulated from Advanced Dislocation Allowance, Per Diem and Travel. See your local Personnel Support Detachment Office for specific information on all the advanced pays and allowances you are authorized. The estimated start up money includes; Rental and Security Deposits (at least first and last month's rent). This amount will vary with the size and type of the rental unit.

Legal Assistance

Legal Services

NAS Fallon Legal Office is a branch of Naval Legal Service Office (NLSO) Southwest. Naval Legal Service Office (NLSO) Southwest's mission is to provide comprehensive legal support to Navy commands and individual service members throughout their extensive area of responsibility. Legal Assistance is available to eligible clients seeking assistance with personal civil legal matters. Assistance may include advice, analysis, research, negotiation, notary services, and document review or preparation. Legal Assistance also provides services to educate eligible persons and command representatives regarding personal legal rights and responsibilities.

Eligibility for Services

People eligible for NLSO service: Active Duty, Retirees, and Reservists on Active Duty, and their dependents with ID card. Proper valid military ID is required to receive services. An ID check is conducted at the legal assistance check-in desk

Not Eligible for Services

People not eligible for NLSO services: Civilians or Department of Defense employees that are stationed at a command in the continental United States.

Table of Other Available Services

Services	Eligibility	Availability
Notary	Active Duty, Dependents, Retirees	Walk-in Basis 7:30 a.m. - 11:30 a.m./ 12:30 p.m. - 3:00 p.m.
Powers of Attorney	Active Duty, Dependents, Retirees	Walk-in Basis 7:30 a.m. - 11:30 a.m./ 12:30 p.m. - 3:00 p.m.
Wills	Active Duty, Dependents, Retirees, Dependents of retirees	By appointment and to obtain forms. Deploying personnel have priority.
Legal Assistance	Active Duty, Dependents, Retirees, Dependents of retirees	Walk-in Basis 7:30 a.m. - 4:00 p.m. For any other type of legal assistance

Deployment Support

Family Deployment Support

Frequent deployments are a way of life in the military. Many of the family issues that need to be resolved during a Permanent Change of Station (PCS) apply to deployments and frequent separations. Be proactive and visit your Family Readiness office in the Fleet and Family Support Center for valuable information on programs that can benefit you and your family, before, during and after a family separation. DoD and the Services have created several new web sites found in the Additional Resources, which address deployment issues for all family members.

Although Naval Air Station, Fallon is not a deploying station, deployment issues still affect the military community stationed here. The Fleet and Family Support Center (FFSC) offers ongoing education and counseling services to the military member and their families. Information and assistance in financial issues, emotional stability, employment options, transitioning concerns and family life are just a few of the services. Military OneSource is an excellent 24-hour resource for information and assistance.

Health Care - Overview

Moving With TRICARE

Your [TRICARE](#) coverage is completely portable—meaning it moves with you. You're covered worldwide—both in transit to your new duty location and once you arrive—but depending on where you go you may use a different TRICARE health plan option. Additionally, you may have different steps depending on which health plan option you are using now.

When Enrolled in a TRICARE Prime Option

The TRICARE Prime options include TRICARE Prime and TRICARE Prime Remote in the United States, and TRICARE Prime Overseas and TRICARE Global Remote Overseas in regions outside of the United States. Follow these simple steps to ensure you have no break in coverage when you move.

1. Do not disenroll from your TRICARE Prime option before you move.
2. Once you arrive at your new location, update your personal information in the [Defense Enrollment Eligibility Reporting System \(DEERS\)](#) immediately.
3. Select a new primary care manager (PCM), when moving within the same region or submit a new Prime enrollment form within 30 days if you're moving to a new region.

Where you are moving will determine which Prime option you will enroll in.

Prime Options in the United States

TRICARE Prime

TRICARE Prime is offered in Prime service areas—geographic areas typically located around a military treatment facility—throughout the country.

- North Region [Health Net Federal Services, Inc.](#), 1-877-TRICARE (1-877-874 2273)
- South Region [Humana Military Healthcare Services, Inc.](#) 1-800444-5445
- West Region [TriWest Healthcare Alliance](#) 1-888-TRIWEST (1-888-874-9378)

If you move to a new Prime service area, transfer your enrollment by submitting a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Be sure to include all family members who wish to use Prime on the form.

TRICARE Prime Remote

In non-Prime service areas, TRICARE offers TRICARE Prime Remote. To enroll, submit a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Any TRICARE-eligible family members living with you in a TRICARE Prime Remote area can enroll in TRICARE Prime Remote for Active Duty Family Members. Be sure to include them on the enrollment form.

Prime Options Outside of the United States

TRICARE Prime Overseas

TRICARE Prime Overseas is offered in overseas areas where there are military treatment facilities or areas in which TRICARE has established a network of qualified host nation providers.

- TRICARE Europe Toll free: 1-888-777-8343; Commercial 011-49-6302-67-7432; DSN 314-496-7432 Fax Numbers: Commercial 011-49-6302-67-6374; DSN 314-496-6374 or [e-mail](#)
- TRICARE Pacific Toll free: 1-888-777-8343; Commercial 011-81-6117-43-2036; DSN: 643-2036; Remote Sites: 011-65-6-338-9277 Fax Numbers: Commercial 011-81-611-743-2037; DSN: 643-2037 or [e-mail](#)
- TRICARE Latin America & Canada (TLAC) Address: TAO-LAC, Bldg 38802, Ft Gordon GA 30905-5650; Toll free 1-888-777-8343; 1-706-787-2424; DSN: 773-2424 Fax Number 1-706-787-3024 or [e-mail](#)

If you move to an area in which TRICARE Prime Overseas is offered, transfer your enrollment by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center. Command-sponsored family members who reside with you are eligible for TRICARE Prime Overseas. Be sure to include all family members who wish to use TRICARE Prime Overseas on the form.

TRICARE Global Remote Overseas

TRICARE Global Remote Overseas is a Prime option offered in designated remote overseas locations. If you move to an area in which TRICARE Global Remote Overseas is offered, you and any authorized family members living with you may enroll by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center.

Before you move to another overseas area or to an area within the United States, contact the nearest TRICARE Service Center. Then, when you arrive in your new area, transfer your enrollment.

When Using TRICARE Standard and Extra

TRICARE Standard and Extra are available to family members only. Active duty service members are required to enroll in one of the Prime options described above.

TRICARE Standard and Extra are available throughout the United States and enrollment is not required. Any active duty family member who is registered in DEERS may use these programs by seeing any network or non-network providers that are authorized by TRICARE. In areas outside of the United States, active duty family members who don't want to use a Prime option may use TRICARE Standard Overseas by seeing qualified host nation provider.

If you're already using TRICARE Standard and Extra, moving is easy.

1. Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
2. Then, find TRICARE-authorized providers in your new area.

Here are a few things to remember about using TRICARE Standard and Extra in a new region

- In the U.S.: Visit your new regional contractor's Web site for a list of providers. Remember, if you see network providers, you'll be using the Extra option and pay lower copayments.
- Outside of the U.S.: Contact your TRICARE Service Center for help locating a qualified host nation provider. The TRICARE Extra option is not available in overseas areas.
- If you move to a new region, you'll have a new claims address for submitting your TRICARE claims.
- Learn your new region's prior authorization requirements because these requirements can differ by region.

When Using TRICARE For Life

TRICARE For Life—TRICARE's coverage for those who are eligible for Medicare—requires no enrollment and you'll have a smooth transition when you move. [TRICARE for Life](#) contact information: WPS TRICARE For Life, P.O. Box 7889, Madison, WI 53707-7889; 1-866-773-0404; TDD 1-866-773-0405

- Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
- Find Medicare providers in your new area.

If you move overseas, your TRICARE For Life coverage may change depending on where you move. In U.S. Territories such as Guam, Puerto Rico and the U.S. Virgin Islands, TRICARE For Life coverage works the same as the stateside program. But, in all other overseas locations, TRICARE For Life Overseas works differently because Medicare does not provide coverage in most overseas locations. Therefore, TRICARE is the primary payer. You can get care from any host nation provider and you will be responsible for TRICARE deductibles and cost shares.

Contact the TRICARE Area Office for the overseas area where you are moving or the nearest American Embassy Health Unit for assistance finding a host nation provider.

Getting Care Along the Way

- Routine Medical and Dental Care—Get it before you go.

Before you move, make sure you've received any routine medical or dental care you think you might need during the time you'll be traveling. Or, delay the care until you get to your new duty location.

- Emergency Care in the United States—Call 911 or go to the nearest emergency room.

TRICARE defines emergency care as medical services provided for a sudden or unexpected medical or psychiatric condition, or the sudden worsening of a chronic (ongoing) condition that is threatening to life, limb, or sight and needs immediate medical treatment, or which has painful symptoms that need immediate relief to stop suffering. If you're traveling near a military treatment facility (MTF), you should go to the MTF or military dental treatment facility for emergency services. If you are hospitalized in a civilian facility for more than 24 hours, contact your regional contractor

- Urgent care in the United States—Coordinate with your PCM and/or regional contractor

TRICARE defines urgent care as medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications. If you are in a Prime program, you must coordinate urgent care with your primary care manager and/or regional contractor before receiving care. If you are in TRICARE Standard and Extra or TRICARE For Life, you can receive care as you normally would. You should, however, contact your contractor as soon as possible to coordinate any prior authorizations that are needed.

- Emergency or Urgent care Overseas—Contact closest TRICARE Area Office or TRICARE Global Remote Call Center.

You don't need prior authorization for emergency or urgent care but the TRICARE Area Office or TRICARE Global Remote Call Center will help you find the best care available in the overseas area in which you are traveling.

Filling Prescriptions on the Road

You should have all your prescriptions filled before you leave, but if you need a prescription filled while you're traveling in the United States, you have several options:

- If near an MTF, fill the prescription at the MTF pharmacy.
- Find the closest TRICARE network pharmacy.
- If a network pharmacy is not available, you can visit a non-network pharmacy. In this case, you may have to pay up front for your medications and file a claim with Express Scripts, Inc., for reimbursement. For more details, visit the [TRICARE web site](#)
- The mail-order option is not recommended for a prescription you need right away, but if you'll be traveling for a long time, you can arrange for any regular prescriptions to be filled via the mail-order pharmacy.

Your pharmacy coverage is limited overseas:

- TRICARE network pharmacies are only located in the United States, Puerto Rico, Guam and the U.S. Virgin Islands. You can have prescriptions filled at host-nation pharmacies, if necessary. Host-nation pharmacies are treated the same as non-network pharmacies. If you have prescriptions filled at a host-nation pharmacy, you should expect to pay for the total amount up front and file a claim with Wisconsin Physicians Service for partial reimbursement. To learn more about pharmacy claims, visit the [TRICARE web site](#).
- To use the mail-order pharmacy overseas, the prescription must be from a U.S. licensed provider and you must have an APO or FPO address.

If You Have Questions

Your regional contractors and TRICARE Area Offices are available to answer your questions. These offices are listed above. Find even more information about moving, updating DEERS, the TRICARE regions and much more at the [TRICARE web site](#).

Installation Specific Information

Per CNO direction, NAVADMIN 0490/95, members ordered to this location (Fallon, NV) and their families must complete isolated duty screening process prior to detachment from their current duty station.

For all personnel checking into our base, please stop by or call the Health Benefits Advisor (HBA) at the Branch Medical Clinic. The HBA has the enrollment forms required for TRICARE Prime. All Active Duty personnel are now on TRICARE Prime and must complete an enrollment/change form.

Medical Care

The Naval Air Station at Fallon, Nevada has an outpatient clinic on base. There is no inpatient Medical Treatment Facility here or in the general area.

Members have several options for family medical care coverage: TRICARE Prime, Extra, and Standard. TRICARE Prime members are either treated at the clinic or sent to a local hospital for emergencies. TRICARE Prime members can get X-rays, hearing tests, eye exams, and lab work done at the clinic. TRICARE Standard members may be treated at the Branch Medical Clinic on a space available basis only.

All family members must be enrolled in DEERS to be eligible for a health care plan. The Active Duty member must go to the Personnel Support Detachment (PSD) to ensure that each family member is on the Page 2 in the service record. The Page 2 should be updated anytime there is a change in family status.

Dental Care

The Dental clinic will treat Active Duty in the areas of endodontics and general dentistry such as filling and pulling teeth. Family members must be enrolled in the Family Member Dental Program.

The Health Benefits Advisor maintains a list of dentists who participate in the TRICARE Active Duty Family Member Dental Plan. Please contact the HBA at the Branch Naval Health Clinic for more information.

Health Care - Special Needs

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Military Treatment Facility

The clinics and services available at [Military Treatment Facilities](#) vary by location. Before you move, identify the MTF that will serve you, visit the MTF's website to learn about the clinics and services available and to get relevant contact information.

Moving to a New TRICARE Region

If you anticipate a move to another [TRICARE region](#), work with your local TRICARE Service Center (TSC) or case manager before your move to ensure the transition is as smooth as possible. On arrival at the new duty location, your sponsor should contact the Beneficiary Counseling and Assistance Coordinator (BCAC) or TSC to ensure the transition plans are in place and to obtain authorizations for TRICARE [Extended Care Health Option](#) (ECHO) services, if applicable.

Beneficiary Counseling and Assistance Coordinator (BCAC)

All TRICARE Regional Offices and most MTFs are staffed with [BCACs](#) (formerly known as Health Benefits Advisors.) [BCACs](#) provide information, guidance and assistance on benefit options, TRICARE Prime enrollment, special authorizations, status of claims and eligibility, plus assistance with referrals and appointments. If you or your family member has a more severe medical need, contact your assigned [case manager](#).

Case Management

Case management involves a team of health care professionals who help you and your family to find solutions to complex health problems. It is important to inform your case manager if you are moving as he/she will connect you with the case manager at your new location.

Extended Care Health Option (ECHO)

TRICARE [ECHO](#) provides financial assistance to beneficiaries of active duty service members who qualify based on specific mental or physical disabilities. ECHO offers an integrated set of services and supplies beyond the basic TRICARE program. ECHO is administered by regional contractors in the TRICARE North, South, and West Regions and by TRICARE Regional Offices in overseas locations.

Transporting Medical Equipment

Your [Installation Transportation Office](#) has special procedures to follow for the transportation of medical equipment that is necessary for medical treatment required by the sponsor or family member. Some types of medical equipment may be shipped in the same manner as Professional Books, Papers, and Equipment (PBP&E).

Federal and State Health Care Programs

Medicaid - [Medicaid](#) pays for medical assistance for certain individuals and families with low incomes and resources. State Medicaid programs are usually administered by departments of social service or departments of medical assistance.

Supplemental Security Income (SSI) - [SSI](#) is a cash assistance program intended to meet basic needs for food, clothing and shelter for those who are aged, blind or disabled. It provides cash to meet basic needs for food, clothing, and shelter. Families must reapply upon each move to another state.

Title V of the Social Security Act - Many states have services for children with special health care needs that are funded by the Maternal and Child Health Services Block Grant, or [Title V](#). State departments of health web sites and local health departments will provide information on state health benefits for children with special health care needs. The Maternal and Child Health Bureaus' web site has Title V information organized by State that provide you with [Title V points of](#)

[contact](#) and other pertinent information.

Other Important Resources

Debt Collection Assistance Officer (DCAO) - TRICARE has a [DCAO](#) assigned to TRICARE Regional Offices and MTFs worldwide to help beneficiaries understand and get assistance with debt collection problems related to TRICARE. Individuals who have received a notice from a collection agency or a negative credit report because of a medical or dental bill should be referred to the nearest [DCAO](#).

Family Voices - [Family Voices](#) is a national, grassroots clearinghouse for information and education concerning the health care of children with special health needs. Family Voices also has [State points of contacts](#) with useful links to State programs and organizations.

Installation Specific Information

Exceptional Family Member Program (EFMP)

The Exceptional Family Member (EFM) program was developed to ensure military family members are able to receive needed services wherever they are assigned. EFM enrollment is mandatory for active-duty sponsors who have family members with chronic illness or incapacity, mental illness, or learning disabilities. EFM identification helps detailers consider career, Navy and special needs during the assignment process leading to a win-win outcome that provides for the family's needs and promotes readiness within our naval forces.

This program is open to any authorized family member who meets the following criteria: Physical, emotional, or other disability, and/or Long term chronic illness, and/or Long term special educational needs Enrolled in DEERS residing with sponsor.

For enrollment, please contact the EFM program manager at the Branch Medical Clinic.

Education - Special Education/EIS

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Children from Birth to Three Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and territories to provide [early intervention services](#) to children from birth to age three who are developmentally delayed, or who are at high risk of being developmentally delayed. Early intervention services may be provided by local school districts or health departments. There is no common name across States for the programs, but you may hear them referred to as Part C programs (because Part C is the section of the IDEA that pertains to early intervention).

The [National Early Childhood Technical Assistance Center](#) provides a list of State Part C directors and funded programs at their web site. [Military OneSource](#) can identify local early intervention programs for you.

- Parents of children who receive early intervention services should hand-carry a copy of the Individual Family Service Plan (IFSP) and most current evaluation reports to the new location.

Children from 3 through 21 Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and Territories to provide [special education services](#) to children who are from 3 through 21 year of age. Each local school district has a special education director, and each school should have a case study committee or school based committee (terms differ) that attends to special education students' needs.

Parents of children receiving special education and related services should hand-carry all pertinent school and medical documents to include their children's Individualized Education Program (IEP) and current testing and evaluation reports to the new school.

The IDEA requires that if a child transfers to a district in the same state, the receiving school must provide comparable services to those in the child's IEP from the sending district's until the new school develops and implements a new IEP. If a child transfers to another State, the receiving district must provide comparable services to those in the child's IEP from the sending district until the receiving district completes an evaluation and creates a new IEP.

Others who can help you:

Parent Training and Information Centers Each state is home to at least one Parent Training and Information Center (PTI). PTIs serve families of children and young adults from birth to age 22 with all disabilities: physical, cognitive, emotional, and learning. They help families obtain appropriate education and services for their children with disabilities; work to improve education results for all children; train and inform parents and professionals on a variety of topics; resolve problems between families and schools or other agencies; and connect children with disabilities to community resources that address their needs. [The Technical Assistance Alliance for Parent Centers](#) provides addresses and phone number of the centers in your state.

STOMP (Specialized Training of Military Parents) is a federally funded Parent Training and Information (PTI) Center established to assist military families who have children with special education or health needs. The staff of the [STOMP Project](#) are parents of children who have disabilities and have experience in raising their children in military communities and traveling with their spouses to different locations.

[Email](#)

Installation Specific Information

Personnel arriving with children who have special education needs should contact the Special Education Department of the applicable school district for information on enrollment procedures and available support services.

In addition, the Exceptional Family Member Program (EFMP) is designed to identify family members with long term health care, psychological, or special education needs. An EFMP regional representative is at the Branch Medical Clinic. For more information about EFMP benefits and questions concerning enrollment, speak with your Command EFM POC or the Fleet and Family Support Center EFMP Liaison.
